

Cleaning Services

VDG Services delivers superior quality and enhances working environments in every job it completes.

VDG Services provides specialised cleaning solutions tailored to the individual needs and requirements to a variety of different customers across Australia.

Our customers, small, medium or large, depend on us to keep their facilities clean and presentable every day. As their valued partner, our focus is to keep all our promises whilst delivering the most efficient and effective cleaning solutions.

VDG Cleaning Services division is proud to count some of Australia's largest organisations amongst its many cleaning clients in Australia. We provide the following services to these reputable clients:

- Retail Cleaning
- Government Departments
- Commercial cleaning
- Healthcare services
- Industrial cleaning
- Shopping centres

About VDG Services

Today VDG Services cleans and maintains sites for more than 40 customers in over 50 locations. Its business model consists of four operating divisions: cleaning, washroom, grounds and garden, and property maintenance.

Our cleaning and maintenance services are supplied to sites spanning all industries; from large industrial sites, to shopping centres, to educational facilities, to office buildings, multi-purpose and commercial sites.

It is this broad range of exposure which ensures VDG Services has the expertise and experience to service, maintain and perform to the highest standards for some of the most recognisable brands.
